

In-Person Training

ELDT Hazmat Endorsement

Theory Training

Effective February 7, 2022, drivers that are intending to get a new Hazmat Endorsement will need to successfully complete ELDT Theory training before they are permitted to take the relevant knowledge test.

The training will cover the requirements under 49 CFR 380 Appendix E.

Operational HM requirements, Reporting HM crashes & releases, Tunnels & Railroad Highway grade crossing, loading & unloading HM, Bulk Packages, Operating emergency equipment, Engine, Tire check Route planning, Hazardous materials safety permits

Students will be required to review the material ahead of class.

After the driver has successfully completed the Hazmat Theory training, NHMTA will enter the driver's information into the Training Provider registry. The driver can then schedule their knowledge test.
