

INTERACTIVE ONLINE COURSE

Entry Level Driver Training ELDT Class A & B Theory Training

Effective February 7, 2022, Drivers that are intending to get a new CDL or upgrade their CDL will need to successfully complete ELDT training before they are permitted to take the relevant range knowledge test.

The training will cover the requirements under 49 CFR 380 Appendix A & B.

Basic Operation, Safe Operation Procedures, Advanced Operating Practices, Vehicle Systems & Reporting Malfunctions, Non-Driving Activities (i.e., Hours of Service)

This interactive online course is through JJ Keller, and is designed to be self paced. Students will be able to start and stop between sections and will have up to 90 days to complete the training.

The course consists of approximately 50 sections and vary in length from 14-35 minutes based on topic. The course will take 14-16 hours to complete. Each section will include a quiz at the end. Students must receive an overall 80% to pass the course.

After the driver has successfully completed the course VTBA will enter the driver's information into the Training Provider registry. The driver can then schedule their CDL skills test.

Books are not required but are highly recommended for review before going for the skills test.

Fee Structure: VTBA (members only)

\$175.00 Per seat while available

Books are an additional \$42.49 plus S&H
